

## Jose Flores, Jr.

I started playing racquetball when I was 8 years old and only played for a year because I got into soccer, then picked racquetball back up when I was 12 years old. I haven't put the racquet down since. When I played Jr. Nationals, my highest ranking was 6<sup>th</sup> in the nation in the 16 and 18 year old divisions. I still play soccer - I am a goalie and I also play defense. In 2006 and 2007, I got two M.V.P. awards for Best Goalie of the year. In two seasons I only allowed 23 goals.
